

RULES

THE 9 COMMANDMENTS FOR HAVING FUN

- Take off your shoes and wear your most funky socks in the play zones.
- You must come with an adult (for safety) and adults must come with a child (for FUN!)
- What happens at the snack bar stays at the snack bar! Don't bring food in the play zones!
- For the sake of allergies, food from outside is not allowed. Psst...Try the snack bar, we promise you won't regret it.
- Be kind and respectful to your playmates. Having FUN together is always better!
- Climbing is good but climbing inside the play zones is even better! It's also the only place where it's allowed.
- When you leave, the day is over. The same goes for your parents!
- Follow the instructions posted at each play zone.
- The most important rule is to have FUN!
